

Program 12th Meeting of the IBCN
 September 25-27th, 2014, Vancouver, Canada

THURSDAY, SEPTEMBER 25TH, 2014

19.00 Welcome Dinner *Cactus Club, Yaletown (357 Davie St)*

FRIDAY, SEPTEMBER 26TH, 2014

Introduction	Topic	Speaker
07:30 - 08:00	Registration/Light breakfast	
08:00 - 08:15	Welcome to IBCN Meeting	Goebell/Kamat
08:15 - 08:20	Welcome to Vancouver /VPC	Black

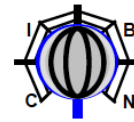

Keynotes	Topic	Chair: Kamat
Molecular Classification of Urothelial Carcinoma		
08:20 - 08:40	The Lund molecular taxonomy	Gottfrid Sjö Dahl
08:40 - 09:00	Intrinsic basal and luminal subtypes	David McConkey
09:00 - 09:30	Discussion	

Project Updates	Topic	Chair: Kiemeney
09:30 - 09:40	Projects on urinary markers	Schmitz-Dräger
09:40 - 10:00	Phases Reporting and Assessment Optimization (PHARAO)	Goebell
10:00 - 10:15	T1-substaging	Bas van Rhijn
10:15 - 10:30	COST Action proposal: REMARKABLE	Sita Vermeulen

Coffee Break 10:30 - 11:00

Research	Topic (10 min talk, 5 mins Q&A)	Chair: Nawroth
11:00 - 11:15	Whole transcriptome analysis of paraffin embedded BC by RNAseq	Alex Zlotta
11:15 - 11:30	Methylation markers in high risk BC	Sia Daneshmand
11:30 - 11:45	Epigenomic alterations in NMIBC	Bharati Bapat
11:45 - 12:00	DNA methylation in muscle-invasive BC	Kerstin Junker
12:00 - 12:15	Comprehensive molecular profiling to predict response and provide targets	Michiel van der Heijden
12:15 - 12:30	Predicting response to immunotherapy	Ashish Kamat
12:30 - 12:45	PI3K signaling in BC: implications for therapy design	Roman Nawroth
12:45 - 13:00	Using placental malaria tropism to target human bladder cancer	Mads Daugaard

Program 12th Meeting of the IBCN
September 25-27th, 2014, Vancouver, Canada

FRIDAY, SEPTEMBER 26TH, 2014

Lunch Break 13:00 – 13:45

Research	Topic (10 min talk, 5 mins Q&A)	Chair: Schmitz-Dräger
13:45 – 14:00	FOXA1 is required for urothelial differentiation	David DeGraff
14:00 – 14:15	Notch2 promotes bladder cancer progression	Peter Black
14:15 – 14:30	HER-targeting in urothelial cancer: a translational paradigm	Petros Grivas
14:30 – 14:45	mTORC2 signaling in bladder cancer invasion	Donna Hansel
14:45 – 15:00	Targeting the tumor microenvironment in bladder cancer: gem/cis + rapamycin	Jonathan Wright
15:00 – 15:30	Biology of bladder cancer metastasis	Colin Dinney

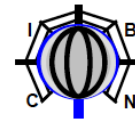

Bazaar Discussion – Open Forum Collaborations 15:30 – 17:00

Advocacy	Topic	Chair: Kamat
17:00 – 17:10	Patient Advocacy in USA	Diane Zipursky Quale
17:10 – 17:20	Patient Advocacy in Canada	Ken Bagshaw
17:20 – 17:30	Discussion	

General Assembly – Members Only 17:30– 18:00

Reconvene for Dinner 19:00 *La Pentola della Quercia (Opus Hotel)*

Program 12th Meeting of the IBCN
 September 25-27th, 2014, Vancouver, Canada

SATURDAY, SEPTEMBER 27TH, 2014

Light Breakfast 08:30 – 09:00

Keynote Lecture	Topic	Chair: Kiemeney
09:00 – 09:30	Molecular Epidemiology of BC	Nathaniel Rothman
09:30 – 09:45	Discussion	

Pipeline Talks	Topic	Chair: Black
09:45 – 10:00	Roche Canada	Bryn Coventry
10:00 – 10:15	GenomeDx Biosciences	Nicholas Erho

Working Group Challenges	Topic	Chair: Kiemeney
10:15 – 10:25	Group 1: Molecular Markers	Zwarthoff
10:25 – 10:35	Group 2: Advanced Disease	Black
10:35 – 10:45	Group 3: PHARAO	Schmitz-Dräger /Goebell

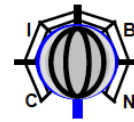

Coffee Break 10:45 – 11:00

Research	Topic (10 min talk, 5 mins Q&A)	Chair: Goebell
11:00 – 11:15	Replication of published germline prognostic/predictive markers	Bart Kiemeney
11:15 – 11:30	Impact of BCG strains on immune response	Molly Ingersoll
11:30 – 11:45	Urine diagnostics for NMIBC	Ellen Zwarthoff
11:45 – 12:00	L-Selectin (CD62-L) as a potential marker of metastatic disease	John Taylor
12:00 – 12:15	New IHC markers for urothelial disease	Charles Guo
12:15 – 12:30	Shed ALCAM as a biomarker for BC	Peter Clark
12:30 – 12:45	Hyperthermia-induced impairment of homologous recombination	Joost Boormans
12:45 – 13:00	Exploring therapeutic BC predictive tools	Marta Sanchez-Carbayo
13:00 – 13:15	Deoxyctidine kinase and resistance to gemcitabine in bladder cancer	Anne Kiltie

Bazaar Discussion – Open Forum Collaborations 13:15 – 13:45

Lunch Break 13:45 – 14:30

Program 12th Meeting of the IBCN
September 25-27th, 2014, Vancouver, Canada

SATURDAY, SEPTEMBER 27TH, 2014

Break-out session for Working Groups 14:30 - 15:30	Location
Group 1: Molecular Markers	Rm TBA
Group 2: Advanced Disease	Rm TBA
Group 3: PHARAO	Rm TBA

Working Group Reports	Topic	Chair: Nawroth
15:30 - 15:45	Group 1: Molecular Markers	Schmitz-Dräger
15:45 - 16:00	Group 2: Advanced Disease	Black
16:00 - 16:15	Group 3: PHARAO	Goebell

Wrap-Up & Closing Remarks	
16:15 - 16:30	Goebell and Schmitz-Dräger

Getting from Opus Hotel to Medical Student Alumni Centre

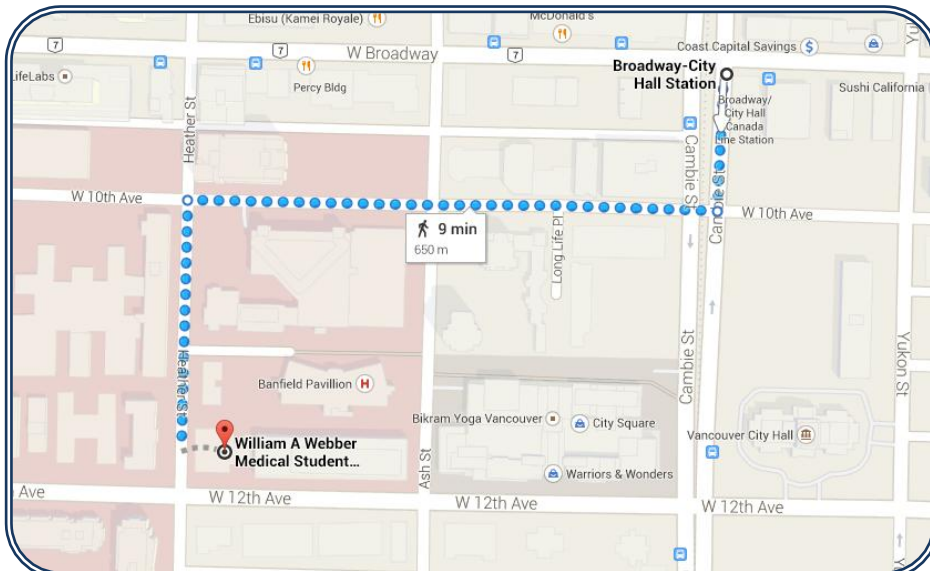

Upon exiting the front door of the Opus Hotel, turn right (downhill) on to Davie St and cross the street at the light; enter the “Yaletown/ Roundhouse” station.

Enter the station and *stamp your travel ticket before boarding the train towards “YVR-Airport”*. Travel 2 stops (only 3 minutes) and disembark at “Broadway-City Hall” station.

Exit the station and walk up the hill on Cambie. Turn right on 10th Avenue, walk 2 blocks to Heather and turn left (up hill). The Medical Student Alumni Centre is at the corner of 12th Ave and Heather.

Total travel time door-to-door approximately 20 minutes.

THURSDAY DINNER

CACTUS CLUB CAFE

Across street from Opus Hotel
357 Davie Street
Tel 604.685.8070

Dress: casual

1900 Reception
1930 Dinner

FRIDAY DINNER

In the Opus Hotel
350 Davie Street
Tel 604.642.0557

Dress: business casual

1900 Reception
1930 Dinner
